

# **Jerry M. Spiller, M.S.I.S.**

## *Curriculum Vitae*

Charleston, South Carolina

843-364-1210

yeri.spiller@gmail.com

www.jerryspiller.net

## **Education**

M.S.I.S	University of North Carolina. Chapel Hill, NC Information Science
B.A.	University of North Carolina. Chapel Hill, NC Asian Studies, Geography

## **Teaching Experience**

### **Art Institute of Charleston, Charleston, SC**

Adjunct Instructor, Web Design & Interactive Media, IMD330: Developing Rich Media Applications	Winter 2010
Adjunct Instructor, Web Design & Interactive Media, IMD360: Nonlinear Narrative	Spring 2010
Adjunct Instructor, Web Design & Interactive Media, IMD440: Interactive Message Design	Spring 2010

## **Experience**

### **College of Charleston, Charleston, SC**

**Language Resource Center Coordinator, School of Languages, Cultures & World Affairs** 2008–Present

- Work closely with faculty and staff to research technologies that enhance the learning experience.
- Develop and lead programs of instruction in collaboration with School faculty and Library faculty and staff.
- Provide advice and direction to faculty and staff in the use of software and technologies to enhance pedagogy.
- Train faculty and students in the use of audio and video production.
- Assist faculty in the classroom with instruction.
- Collaborate with campus information resource and technology areas such as the Library and Information Technology.
- Allocate LRC budget according to needs and coordinate purchases.
- Coordinate with Library Media Collection to meet faculty video needs.
- Assist faculty using the School's computer classroom and discipline specific software.
- Design and maintain web pages for the School.
- Develop web content and strategies for Departments.
- Provide outreach to students and faculty via digital and traditional channels.
- Develop and maintain Center and School presence and online resources through social websites such as Twitter, Flickr, Delicious, Tumblr and Facebook.
- Maintain several technology-enriched facilities.
- Analyze and test systems to troubleshoot problems.
- Develop and maintain a repair schedule and inventory assessment.
- Make recommendations on replacement/repair of existing equipment and purchases.
- Design and produce brochures, posters, and other materials using appropriate

graphics software.

**Technology and Instruction Consultant, Department of Sociology & Anthropology** 2008-Present

- Provide consultation to the Department of Sociology and Anthropology for the Center for Expressive Culture. Areas of research and implementation included learning space design, grant writing, creation, maintenance and deployment of specialized lab image, and the development of innovative methods to support technology-enhanced research methods curriculum.

**Instructional Technologist for the School of Languages, Cultures & World Affairs, Division of Information Technology, Department of Teaching, Learning & Technology** 2006 - 2008

- Maintained a working knowledge of current and emerging technologies applicable to instructional and academic activities.
- Identified faculty needs and provided training opportunities in the application of technology in instruction through one-on-one sessions, workshops, and other means as deemed necessary.
- Advised faculty on the use of technology to support teaching, learning, and research goals.
- Collaborated with faculty and academic departments on the development of technology-enhanced projects related to teaching and learning.
- Assisted in the design, development, and integration of technology enhanced instructional materials.
- Assessed activities of instructional technologists, faculty, and students to provide a feedback model for improving teaching.
- Collaborated with other Information Technology divisions to determine the resource requirements, applications, and strategic direction for instructional technology.
- Collaborated with campus, school, and departmental units in the planning and implementation of campus-wide technology initiatives.

**Previous Institutions**

**Research Assistant, UNC Health Behaviors & Health Education, Internet Cigarette Vendors Study** 2005

- Archived websites for Internet Cigarette Vendors (ICV) study using Internet Researcher web archival software.
- Classified ICV sites according to study's operational definitions.
- Researched ICV sites and answered survey questions.
- Committed survey answers to study's DB via web interface.

**Kalp Fellow in IT Support, UNC SILS Library and Information Resource Center** 2003-2004

- Provided technical support to SILS students, faculty and other library patrons.
- Maintained lab hardware and software.
- Provided support for software including Microsoft Office suite, Web browsers Internet Explorer and Netscape/Mozilla, Adobe Acrobat, PhotoShop and Illustrator, HP Scanjet and OmniPage Pro scanning software, Microsoft Visio and iGrafx Flowcharter, Macromedia Dreamweaver, Director and Flash.
- Participated in orientation sessions teaching incoming students.
- Imaged lab machines with Altiris Image Server.
- Maintained user profiles and file server space with MS Active Directory.
- Participated in small team converting FAQ pages to DocBook XML-based KMT system.
- Participated in small team redesigning lab Web site and underlying information

architecture.

**Software Tester, Terra Dotta**

2002-2004  
(Intermittent)

- Participated in software testing.
- Wrote help files for DB powered, Web-based educational and education administration products.

**Undergraduate Student Services, UNC Department of Romance Languages**

2000-2002

- Performed Registrar and classroom scheduling duties.
- Coordinated distribution and collection of grade rolls and related records.
- Provided classroom support for large teaching staff and student body.
- Coordinated Faculty/Staff parking assignments.
- Administered Faculty travel reimbursements.
- Performed Webmaster duties and provided technical support.
- Supervised work-study students.

**Secretary to the Chair, UNC Department of Romance Languages**

1998-2000

- Deposited monies for departmental study abroad programs and publications office.
- Scheduled campus-wide reservations for departmental lounge.
- Coordinated faculty textbook orders.

**Publications**
